

ARIA Angels

Music, Movement, Art and...More!

Reaching out to parents before and after Baptism, through parishes, playgroups and schools, we offer a special time for *children birth-5 yrs with parents/ grandparents.*

Fun-filled sessions aim to nurture spirituality in families through the joy of singing games, rhymes, art/crafts, dance, stories and ritual.

The child's first teachers are usually parents and the early years of life bring rapid growth physically, verbally and emotionally. Together let's *celebrate* the small pleasures, *nurture* holistic development, *imagine* the possibilities and *create* meaningful relationships.

"The purpose of music is not that it should be judged, but that it should become our substance. Music is a spiritual food for which there is no substitute. There is no complete spiritual life without music, for the human soul has regions which can be illuminated only by music". Zoltán Kodály

In the child we listen to the heartbeat of the world
